Dear Curtis Pittman,

I would like to express my sincere appreciation for your participation and generous donation in this year's San Angelo Ag Mechanics show. As a participant in the ag mechanics show, I see the importance that support plays in the show. It is supporters like you that make every year a success and allow it to build into a greater show each year.

This year was my first year participating in the show and although not a winner, I enjoyed the participation and feel that I have gained valuable experience.

Thank you for contributing to this years Ag mechanics show at the San Angelo Livestock Show. Without your contributions our show would not be as great of an experience as it is. Attending the your show was a great experience and I am looking forward to attending it next year.

Sincerely,
