

Greetings,

From the bottom of our hearts, THANK YOU! We DO appreciate the hard work, effort, energy, time, and donation that your company puts forth in order to provide great prizes and product for the kids who compete in the annual Ag Mechanics show in San Angelo, TX. We simply cannot say thank you enough, we are humbled, honored, and blessed to receive the prizes donated by the committee.

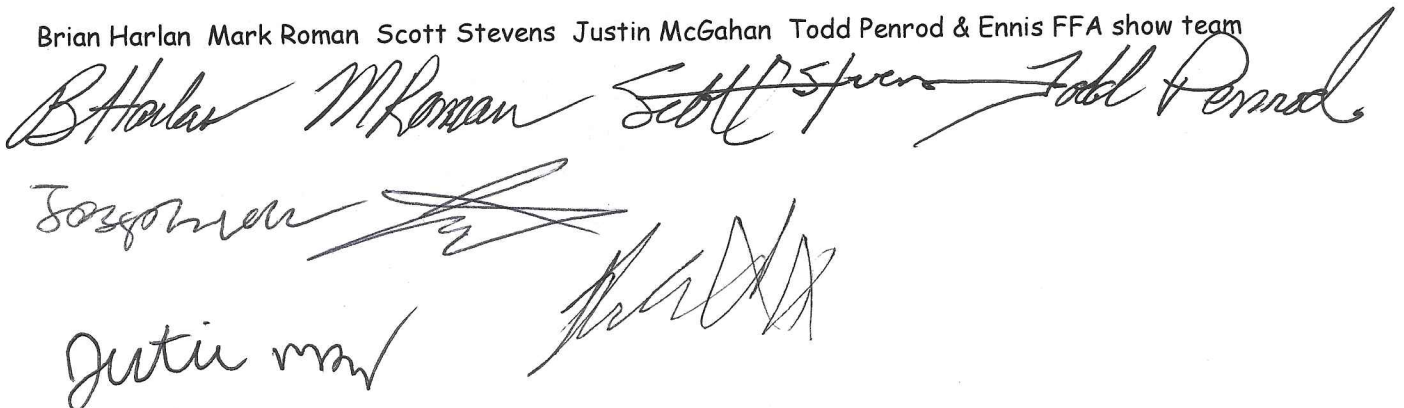

Ennis FFA has been coming and participating in San Angelo since 2004. This was 15<sup>th</sup> consecutive year to make the trip of 275 miles one way to participate in Angelo. We have skipped other shows from time to time but never have we missed coming to your show. We truly believe that Angelo is one of the friendliest towns we've ever visited. The people are nice and helpful no matter where we visit in town.

Thank you to whoever provides the tickets for the student to be able to attend the rodeo. Our chapter surely does love to attend this event. To the men who cook the BBQ lunch and provide that meal for the students on show day, THANK YOU! From the ladies in the office to the forklift drivers in barn, thank you for working hard for us and putting on the best Ag. Mechanics competition in the State. Big John would be proud of how the show has grown and of all the people who work hard to put it on in this town.

With continued support, thank you San Angelo. We look forward to seeing you in 2019

Sincerely,

Brian Harlan Mark Roman Scott Stevens Justin McGahan Todd Penrod & Ennis FFA show team

The block contains five handwritten signatures in black ink. The first row contains four signatures: Brian Harlan, Mark Roman, Scott Stevens, and Todd Penrod. The second row contains two more signatures: Justin McGahan and another signature that is partially obscured or less legible.
